SOLUTION OF PROTOXIDE OF IRON COMBINED. This well known Remedy has been used extensively and with great success for DYSPEPSIA,

A TONIC AND ALTERATIVE MEDICINE. Note .- The failure of IRON as a remedy for Dyspepsia, a bad state of the blood, and the numerous diseases caused thereby, has arisen from the want of such a preparation of Iron as shall enter the stomach in a Pro-TOXIDE state, and assimilate at once with the blood. This want the PERUVIAN SYRUP supplies, and it does so in the only form in which it is possible for Iron to enter the circulation. For this reason the PERUVIAN SYRUP often radically cures diseases in which other preparations of

Iron and other medicines have been found to be of no avail. Certificate of A. A. HAVES, M. D., of Boston. CASH AND THE HIGHEST PRICE It is well known that the medicinal effects of Protoxide of Iron are lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the PERUVIAN SYRUP this desirable point is attained by COMBINATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto carbonates, citrates and tartrates of the Materia Medica.

The result of my examination of the Peruvian Syrup, proves to me that none of the metallic or mineral poisons are present, nor have I found in it any indication of vegeta ble poisonous principles. SAFE AND SPEEDY REMEDY A FOR COUGHS, CROUP, ASTHMA WHOO-PING COUGH, SORE THROAT, and ALL DISEASES OF THE THROAT and LUNGS. The unprecedented success and popularity which this remedy has attained in one short year, would seem to be a sufficient guaranty of its merit. If any one doubts it, let such give it one trial.

READ THE FOLLOWING : From Hon. Levi Underwood, Lieut. Gov. of Vt. Messes. E. B. Magoon & Co: -I have used your WKEK's Magic Compound for severe colds and sore throat, and proved an efficient remedy. It is a valuable accession to the list of remedies for colds, coughs, &c.
1 am yours. LEVI UNDERWOOD. I am yours. Burlington, Oct. 8, 1860. From Hon. Joseph Poland. State Senator of Vermont. I have used WEEK'S MAGIC COMPOUND in my family, and have never found any remedy so effectual in curing coughs

and sore throat, and other diseases of the lung-JOSEPH POLAND. Montpelier, Oct. 1, 1860. From Hon. Timothy P. Rediield.
By using your Weeks' Magic Compouse a short time, I was entirely cured of one of the severest and most obstin-ate colds upon my lungs that I ever experienced. I know of no remedy equal to it for coughs and lung complaints generally. TIMOTHY P. REDFIELD. Montpeller, Oct. 13, 1860.

Messas E. R. Magoos & Co :- About five weeks ago I took a severe cold which settled upon my lungs, producing a cough that proved to be very obstinate, and respiration became very difficult. After making strenuous efforts to throw it off, with no benefit, I procured a bottle of your Magic Compound, which I used three days according to directions. Its effect upon me was truly like "magic." It produced a free expectoration, and in this time I was completely refleved from my cough, and I could breathe per-lectly natural. Therefore, I can recommend it to my lellow citizens as being the best remedy for coughs and colds. I have ever used. Yours truly, EZRA IDE. St. Johnsbury, Vt., Dec. 14, 1859.

CROUP. A short time since my child was attacked most severely with the croup. We thought she could not live five min-utes. A single dose of WERRS' MAGIC COMPOUND cased her at once, and she has had no attack of it since. I think to tamily ought to be without it. M. F. VARNEY.
